

Welcome to Warialda Public

Our four Captains Emma, Byron, Rachel & Alex attended the Lake Keepit Leadership Camp last week. The camp focused on developing leadership qualities for young students across the North West and Coastal areas.

Students focused on a School Action Plan (SAP) to help improve our school throughout a number of leadership workshops.

Our students agreed that the best part of the camp was going on the giant swing. The students volunteered to go first which meant Mrs McIntosh was then forced to go on the swing too.

Our Captains had a fantastic time on this trip and can't wait to start developing our (SAP). We will use these skills to help us become better leaders!

From Mrs Murphy's desk...

This term is flying by with the school being as busy as ever. I am certainly enjoying my stay at Warialda Public. From the 9th June, Mr Dan van Velthuisen will be Relieving Principal until Mr Collins resumes duties. Dan is a well respected and experienced school leader and manager from Moree Public School. I have been very proud of our students' participation in sporting activities and their community representation has been outstanding as always. Our leaders and Mrs McIntosh attended the Future Leaders Program at Lake Keepit last week. It was fantastic to see the individual qualities of the students come to the fore. Their questioning and thinking skills were highlighted during the creation of a School Action Plan. They also proved to be great communicators and displayed incredible bravery during the outdoor activities that included the Giant Swing.

Don't forget the Spelling Bee. Students are asked to learn their words and are encouraged to seek sponsorship. Class testing will be this week and the spell off will be in week 9.

WARIALDA PUBLIC SCHOOL WELLBEING AND DISCIPLINE POLICY

Sports Policy

Sport / Player Dress Code.

When chosen to represent Warialda Public School at PSSA, Zone, Area, State, at Gala Days or any other external sporting event, students are expected to behave in an exemplary manner both on and off the sports field. This includes wearing full school sports uniform. When representing the school students may be expected to wear representative shirts.

Full school sports uniform includes wearing a school hat and necessary safety equipment for specific sports (i.e. helmet, shin pads, mouth guard etc.) Studs are only to be worn while playing sport.

Sport / Player Code of Conduct

Students are to sign a Player Code of Conduct prior to attending PSSA sport, Gala Days (competitive and non-competitive) and any other external sporting event. It is expected that students uphold the Player Code of Conduct at all times, which they must agree to and sign. Failure to do so will result in behaviour management procedures being put in place, as stated in the Warialda Public School Wellbeing and Discipline Policy.

Sport / Player Attendance and Participation Privileges.

As per the Warialda Public School Wellbeing and Discipline Policy and the Warialda Public School Sports Policy, if a student's behaviour is inappropriate Warialda Public School reserves the right to disallow that student participating in or suspend that student's participation in a sporting activity.

- If a student receives three (3) Time-Out Notification letters within a term, they will no longer be eligible to represent our school for the remainder of that term (this will include, but is not limited to, sporting events, excursions, special reward days).
- If a student is currently (or has been) suspended in the term of the sporting event, that student may lose attendance and participation privileges.

Players, parents, spectators, teachers and coaches must all abide by the Zone PSSA Code of Conduct Policy.

Dear Parents/Guardians and Community of Warialda Public School

Welcome to the First Edition of 'The Warialda Bite!'.

As I am hoping you are all aware, the school has a Good Start Breakfast Club which Red Cross works in partnership with the school and this is provided each Wednesday. The program aims to provide a healthy breakfast to school aged children, as well as to deliver nutrition information to the students, their families and the community, helping them to make healthier food choices, improving their health and learning outcomes for the future.

It was agreed that this 'attachment' on a fortnightly basis to the school newsletter, would be a great way to provide you with some new recipes to include in school lunchboxes, after school snacks as well as for dinner. It is also a great opportunity to share with you some 'knowledge building' on various topics as well.

As we are now approaching the colder part of the year, I thought that a really nice, budget friendly soup was a great way to start us off! Enjoy!

The Warialda Bite!

Issue 1: May 2015

Carrot and Ginger Soup (Makes 6 serves)

Ingredients:

2 tablespoons oil
(olive/canola/safflower)

2 onions, peeled, diced

8 medium carrots, washed,
coarsely chopped

3 cloves of garlic, peeled, chopped
finely

2cm fresh ginger, peeled,
chopped finely

5 cups of salt-reduced vegetable
stock or water

1 cup of low fat milk

Chives (optional)

1. Heat oil over medium heat in a large saucepan
2. Add onions and carrots and cook for a 5 minutes, stirring
3. Add the garlic and ginger and cook for another 5 minutes, stirring
4. Add the stock or water and bring to a boil, then turn heat down, cover with a lid and simmer for about 20 minutes until carrot is tender
5. Take off heat and add the milk

Did you know that carrots have been nominated by Australians as their favourite vegetable? Of 800 shoppers surveyed in 2013, 94% said that carrots were the vegetable they bought most regularly

6. Pour the carrot mixture into the jug of a blender and blend until smooth. Make sure you don't fill the blender and leave some room for steam to escape.
7. Return to the saucepan and gently reheat

Serving suggestion: Some natural low fat yoghurt added just before you serve the soup will make the soup creamy
