## From Mr Collins desk...

I will be absent from the school for a period of time, while I fulfil duties at Barwon Network Educational Office (Moree).

Over the next two weeks Mrs Pam Murphy, who you all know will relieve in my absence. Pam has an extensive knowledge of the school, staff and students and is a very experienced and respected educator. Please note that I will maintain contact with the school via Mrs Murphy.

We are now over half way through term two and it has been very busy with NAPLAN, various sporting events, book fair etc. The next half of the term looks to be as busy and productive as the previous.

The excursion has been set for the 17<sup>th</sup> to 21<sup>st</sup> August. Part payments can be made leading up this excursion. We have paid a deposit based on the notes received and would appreciate all deposits and commencement of part payments.

Our school assembly on Friday was well attended and I would like to congratulate 4/5/6T students on their great performance and to all the students that received an award, well done.

I would like to extend a big thankyou to everyone who supported our recent book fair and to Mrs Cush for all of her hard work. It was great to see some of the efforts students went to, to dress up for the event. The commission received from the book fair will enable us to select some great books for our library.

Our school has just had a financial audit and Work Place and Safety audit. I would like to acknowledge the hard work carried out by the office staff and in particular Mrs Carroll for having everything in place for this busy event.

The SRC are currently conducting a Wood Raffle. The school would like to thank Mr and Mrs Findlater for donating the load of wood for this raffle.

Our Spelling Bee is getting very close. I would like to reinforce that everyone has strengths in different areas and as long as each individual tries their best is all that counts. We can't all be the best speller just the way we can't all be the best swimmer. If as individuals, we show personal improvements and success, that is what counts.

Big congratulations to Frank Bundock and Charlie Horn who have been selected to represent the New England area in Rugby. Also to Courtney Barwick, Emma Hall and Isabella Reardon who made the North West Touch Football team and will play in Parramatta in August. What a great achievement to these students.

Our student leaders will be attending the Leaders Camp at Lake Keepit on Monday and Tuesday.

At the start of the year I investigated establishing a Warialda Public School Fishing interest group for students. Progress has been made in regards to establishing a visit from the NSW Dept Fisheries to come and talk to students interested in fishing. Resources and a guest speaker should hopefully be not far away.

As always if you have any concerns please contact the school.

"Never look down on anybody unless you're helping him up". Jesse Jackson

Kind Regards

Mick Collins
