### Poet, Author and Entertainer

If you haven't heard the yarns "Turbulence", "The Hog Whisperer" or the haunting "Rain from Nowhere" you probably haven't heard of Murray Hartin.

But the bloke from Moree has been part of the festival/bush poetry/entertainment scene "for a long time", including 13 years with his mad mates in The Naked Poets, and remains a favourite with audiences across Australia.

His rapid-fire, rhyming recitals, which can cover anything from the perils of yoga to visiting the dentist to his lovely ANZAC tribute, *The Slouch Hat*, create vivid and often hilarious mental images that will stay with you forever.
