This Week

6th Young Communicator
Finals in the Hall

7th Year 6 to WHS

9th Kindy Transition
Girls Touch Game
NRL for Sport

September

13th Boys Touch Game

14th Olympic Day

16th STEM Day

Our Littlest Young Communicator Finalists

Young Communicators Awards....

Finals Presentation Tuesday (tomorrow) 6th September 2016.

Year 5 and Year 6 9.30am - 11.00 am

Kindergarten, Year 1 and Year 2 11.50am - 1.15 pm

Year 3 and Year 4 1.45pm - 3.00 pm

Parents and friends are most welcome to join us for this presentation.

Morris Gleitzman Visit

Morris Gleitzman will be visiting our school via video conference on the 19th September. This is a very exciting opportunity for our students who will listen to a one hour presentation by Mr Gleitzman. Years 5 and 6 will have a variation of routine to accommodate for this presentation.

Notes to be returned

Stage 2 Excursion

Touch Football

Quote of the Week

**Work hard, have fun
and make history.**

Principal's Report

Week 7 at WPS saw the commencement of the Super 6 Cricket Competition. After the first complete round of fixtures, Pakistan is leading the way! Whilst it is great seeing students playing sport and having a great time, the really impressive aspect of the competition is watching all students (Kinder to Year 6) playing together and helping one another. We currently have over half of Warialda Public School playing! On the field, young Sam Hall (Year 2) set the standard early scoring a whopping 23 runs from one over. However, Charlie Horn went around him scoring 31 runs in an over! Just for you cricket fanatics who are wondering how it is possible to score 31 in an over – a six is worth ten runs!

We were very excited to welcome Healthy Harold to WPS last week. Each student participated in exciting lessons all based around being healthy. I was delighted to hear students recalling facts about what they learned during their time in the Life Education Van.

Due to the wet weather, it was decided that the Regional Athletic Carnival (NW trials) be postponed until today. This decision was made at a regional level and based upon ensuring students had safe conditions in which to compete. We look forward to reporting our student's results in the next newsletter.

Tomorrow will see the final of the annual Young Communicator's competition. I had the pleasure of watching several of the class/stage rounds and was so impressed with the quality of the speeches. We all know that public speaking is a daunting task and there is no doubt that the Young Communicators competition helps students become quite comfortable at addressing an audience. I'd encourage our school community to attend the finals tomorrow in the school hall.

This Wednesday, our Year 6 students will participate in another transition day to Warialda High School. We sincerely appreciate the efforts of the staff at WHS for preparing and delivering these transition days. They certainly go a long way to ensuring the step from primary to secondary school is a smooth and enjoyable experience.

Congratulations to the Warialda Honey Festival organising committee. Whilst the weather certainly made it difficult for the organisers, the day remained a wonderful success. I thoroughly enjoyed visiting the stalls and watching the talent quest (particularly the students of WPS who performed)!

This Friday, our 2017 Kindergarten students will join us at WPS for a transition morning (9am to 11am). These days are always highly successful and are thoughtfully planned to ensure students become familiar with regular school routines. Throughout this week, Mrs Lanesbury will be making courtesy phone calls to our newest families reminding them of the particulars required for Friday.

Also this Friday, the WPS girls PSSA Touch Football team will host Coonamble Public School in their 4th round fixture of the State Knockout. At this stage, we have calculated that there is enough space (just) on our school playing field to host the game here. It'll be quite a spectacle to play such a fixture on our home soil. Please join us from 1pm to watch this game.

Finally, I received some exciting news regarding the Legacy colouring competition that many of our students recently entered. After a very hard task of judging the high volume of entrants, Whitney-Eve Sherman (Kindergarten), Seb Krug (Year 5) and Ethan Tu (Year 1) were awarded a Highly Commended whilst Sophie Hall (Year 5) was awarded 1st place! Congratulations to all of our students who entered this competition.

Have a fantastic week!

Kind regards,

Dan van Velthuisen

Principal (Relieving)

PBL OLYMPIC DAY 14th September 2016Please note the change of date

To celebrate Australia competing at the Olympic Games in Rio, Warialda PS will be holding a mini PBL Olympic Day to promote our school core values STARS. The children will participate in numerous challenges throughout the day. Students will compete in teams named after a country. We encourage all students to wear the colours of the flag of the country they are competing in.

Following the days events the school will hold a social to celebrate. The theme of the social is their favourite sport or country.

0429189520

Breast Screen NSW mobile unit will be in Warialda From Monday 26th September behind the Town Hall. Call 132050 to book your free screening

Dont Forget Year 6 to WHS this Wednesday...

Warialda High School

Working to Stymie The Cycle of Bullying and Harm at Warialda High School

stymie.com.au encourages bystanders to help and support their peers by making anonymous notifications using their site. These notifications will be about students who are being bullied or harmed or information about harm to the community such as illegal activity. The notifications can include evidence such as screen shots of Facebook conversations or text messages and are automatically forwarded to the appropriate adult here at Warialda High School.

Warialda High is committed to harnessing the power of bystanders to change the 'culture of acceptance' of bullying and harm in our community; a problem even the government admits is endemic amongst our youth.

Rachel Downie, Director of stymie.com.au will be presenting important information about your child's use of technology on Wednesday 7th September at 5pm. Having trouble managing technology at home? Rachel will give you tips on how to manage kids' devices and which apps are creating problems in the lives of Australian students.

More information can be found at www.stymie.com.au

and www.facebook.com/stymieau

Warialda Public School

On Friday 16th September we will host schools from across the region for a wonderful day of learning. As part of the Middle Years program - Wider than Gwydir - Schools will come together to experience learning in a different way. Years 5, 6, 7 and 8 Students will rotate between activities based around the STEM criteria.

Activities will include Solar Car building, Drones, Sports science with GPS, Coding and Soil Science.

This is an amazing opportunity for our students which we are sure they will enjoy thoroughly. More information will follow in next week's newsletter.
